

This listing of claims will replace all prior versions, and listings, of claims in the application:

Please cancel claims 15-49;

Please add new claim 58 as follows:

Please amend claims 50-57 as follows:

Claims 1-49 (Canceled)

50. (Currently Amended) A composition as described in Claim 49 58, wherein said coenzyme Q10 is present in an amount between about 5% and 15% by weight of said composition.

51. (Currently Amended) A composition as described in Claim 49 58, wherein the ratio of said glycoprotein matrix to said coenzyme Q10 is between about 1:1 to about 10:1.

52. (Currently Amended) A composition as described in Claim 49 58, further comprising a bioflavonoid.

53. (Currently Amended) A composition as described in Claim 49 52, wherein said bioflavonoid is hesperidin.

54. (Currently Amended) A composition as described in Claim 49 58, wherein said yeast include *Saccharomyces cervisiae*.

55. (Currently Amended) A composition as described in Claim 49 58, wherein said bacteria comprises bacteria within genus *Lactobacillus*.

Application No: 09/757,222

Filing Date: January 9, 2001

**Response to Office Action of April 8, 2003**

Docket: 1114-2
